

Dura Stone®

The Look that Makes the Difference.

Introducing a new line of Dura Stone®

Combining the look of stone with the strength and reliability of man-made materials, **Dura Stone®** is the solution for sophisticated people wanting diversity in colors.

Applications

Residential and commercial applications are diverse and only limited by the imagination. Counter tops, bars, vanities, wall panels, tub and shower surrounds, restroom partitions, and tables— as well as more rugged applications such as laboratory and work surfaces are some of the common uses for **Dura Stone®** solid surface material.

Dura Stone® Durability
